Hello,

We're just one week away from the IAFN Foundation Forensic Nursing Legacy Cocktail Party on Tuesday, September 26! We look forward to sharing an evening under the stars with you as we celebrate our past and toast our future. Please see the information below for details about the event. Please don't hesitate to reach out if you have any questions.

Where is the event? The event will be held at [the Palma, 903 N. 2nd St. Phoenix, AZ](#).

What time does the event start? The event will be held from 6:30 to 8:30 p.m.

Do I need a physical ticket? No! Your name will be on the guest list. Our team will check each person in at the door. If you purchased more than one ticket, the names you provided for your guests will also be on the list. If you did not provide the email addresses for your guests, please be sure to forward this email to them so that they also have the details about the event.

What's the best way to get there from the hotel? The event venue is a short walk from IAFN's conference hotel. If you prefer not to walk, you can pick up an Uber, Lyft or cab in front of the hotel. If you're looking for a more adventurous means of travel, see the attached flyer to learn about pedicabs and self-driving cars!

What's the dress code? We suggest festive summer cocktail attire! It's going to be warm in Phoenix, and the event will take place on an outdoor patio. The current forecasted temperature at the start of the event is in the 90s, so plan accordingly. The event features live music and we will be dancing in the desert, so put on your dancing shoes!

I want to sit with my friends. Can you put me at their table? This is a cocktail party -- emphasis on party! -- and we want to encourage maximum mixing and mingling! Rather than a seated program, guests are encouraged to make full use of the beautiful outdoor venue to connect with old friends and network with new ones. Heavy hors d'oeuvres will be passed. Wine and beer will be available at the bar along with the signature cocktail for the evening, the "Forensic Fizz."

Will there be food available to accommodate the dietary restrictions I shared? Yes! We want to make sure that all of our guests enjoy themselves, and we will offer food that meets everyone's dietary needs.

I have a question that's not answered here. Whom should I contact? Please contact me by responding to this email if you have questions that aren't answered here.

Cheers,

Morgan C. Moeller
