We have become aware of an issue with a lack of an assigned file type that you may encounter as you retrieve your score report. We are actively working with our association management system team to resolve this.

We encourage you to access your score report on your PC, and not through a mobile device or work computer for the best experience.

Please complete the following steps once logged into your IAFN account:

1. Select "Certifications" from the main navigation menu

2. Choose "My Exams" and select your April 2025 exam (in blue text)
